

Voltage vs Freq

Map

- 1: Summed output 1 4: Mid-range 1 7: Woofer 2
- 2: Tweeter 1 5: Summed output 2 8: Mid-range 2
- 3: Woofer 1 6: Tweeter 2

Notes

Summed output 1 = Idealized drivers.

Summed output 2 = All drivers have 2 decade bandwidth + acoustic offsets.
