

Folded Horn Acoustic Guitar 5-6-23

Neck is straight as
an arrow this time.

Folded Horn Acoustic Guitar 5-6-23

The first neck,
I really
stepped in it,
was horrible,
fret buzz, live
and learn!

Folded Horn Acoustic Guitar 5-6-23

Comparison with my Guild (which I love), and I play this through the Folded Horn Acoustic Guitar, for now.

Folded Horn Acoustic Guitar 5-6-23

New straight neck with
larger head stock.
Soundboard not shown.

Folded Horn Acoustic Guitar 5-6-23

The Folded Horn Acoustic Guitar is bigger than my Taylor and Guild of course, not terrible difference. It looks so much bigger than my Heritage (which by the way is a real beauty).
